18. Garden inspiration – Gothenburg Botanical Garden
19. Garden scene
20. The cold greenhouse est. 2017
21. Fall - *Crocus oreocreticus*
22. *Crocus caspius* and *C. homerii*
23. *Crocus pulchellus*
24. *Cyclamen intaminatum* and *C. mirabile*
25. *Iris palaestina* yellow flowered form
26. *Iris vartanii*
27. *Colchicum variegatum*
28. *Colchicum (Merendera) filifolium*
29. *Colchicum speciosum* LST and *Colchicum bivonae* 'Apollo'
30. *Colchicum davisii*
31. *Crocus cartwrightianus*
32. *Crocus goulimyi*
33. *Crocus banaticus*
34. *Crocus banaticus* 'Trojanus'
35. *Crocus kotschyanus*
36. *Sternbergia lutea* Selected seedling
37. Winter has arrived
38. *Galanthus elwesii* 'Standing Tall'
39. Zale garden in winter
40. Winter in the cold greenhouse
41. Cold greenhouse scene
42. *Crocus cvijicii sensu lato*
43. *Crocus hartmannianus*
44. *Crocus roseviolaceus*
45. *Crocus gembosii* 'Sunspot'
46. *Crocus biflorus* types
47. Cold greenhouse scene in January
48. *Colchicum kesselringii*
49. *Iris nicolai* and *I. zetterlundii*
50. *Iris pseudocaucasica*
51. *Narcissus hedraeanthus* and *N. asturiensis*
52. Cold greenhouse in late winter and early spring
53. *Tulipa kaufmanniana* 'Voshod Solnca'
54. Cold greenhouse tulips
55. *Tulipa regelii*
56. *Eranthis byusanensis*
57. *Fritillaria caucasica* PCC16-GE
58. *Fritillaria recurva*
59. *Iris austrochatkalica*
60. *Iris warleyensis*
61. *Iris cycloglossa* x *I. aucheri*
62. "Clipped trunks" of *Narcissus abscissus*
63. *Sternbergia candida*
64. *Anemone blanda* 'Janis' from Akseki, Turkey
65. Cold greenhouse in April and May
66. *Iris meda*
67. *Calochortus persistens*
68. *Allium gypsaceum*
69. Mediterranean orchids- *Orchis papilionacea* hybrid, *Gennaria diphylla*, *Orchis athropophora*

70. More Mediterranean orchids – *Orchis tridentata* and *Ophrys mammosa*
71. Australian orchids – *Diuris maculata* and *Diuris emarginata* × *D. orientalis*
72. Crevice garden installation – est. 2020
73. *Muscari pallens*
74. *Muscari anatolicum*
75. *Muscari anatolicum*
76. *Muscari azureum*
77. *Narcissus romieuxii* – not ‘Julia Jane’!
78. *Narcissus alpestris*
79. *Cyclamen hederifolium*
80. Woodland garden – est. 2015
81. *Trillium maculatum* f. *simulans*
82. *Trillium cuneatum*
83. *Trillium cuneatum* dark leaves
84. *Trillium cuneatum*
85. *Trillium recurvatum* ‘Shari’s Flame’
86. *Trillium stamineum* yellow flower form
87. *Trillium delicatum*
88. *Trillium sessile* flower color forms
89. *Trillium lancifolium*
90. *Paris incompleta*
91. *Paris stenophylla*
92. *Paris verticillata* ‘Ryokutei’
93. *Collinsonia verticillata*
94. *Arisaema urashima* ‘Kagemusha’
95. *Lilium canadense* flower forms
96. *Lilium canadense* ‘Ruth Clas’
97. *Lilium michiganense* from Franklin County, OH.
98. *Lycoris chinensis*, *L. longituba*, and *L. × caldwellii*
99. *Lycoris chinensis*
100. *Lycoris* × *incarnata*
101. *Lycoris sprengeri* ‘Blue Pearl’ or ‘Hirao Blue’
102. *Lycoris* × *straminea* ‘Golden Panda’
103. Seed propagation
104. Thank you
